THE AUSTRALIAN NATIONAL UNIVERSITY
ANU REGIONAL PARTNERSHIPS PROGRAM TRANSITION SCHOLARSHIPS

Conditions of Award

1. Introduction
The ANU Regional Partnerships Program Transition Scholarships have been introduced by the Australian National University to support the transition to university life of commencing undergraduate students from its partnership schools. The Transition Scholarships recognise the additional start-up costs associated with re-locating from a regional town to study at the ANU and may be used for any purpose to assist students in their transition to university.

2. Value
The value of each scholarship shall be set out in the letter of offer and may vary, but will not be less than $1500. The scholarship will be paid at the commencement of the student’s first semester of study only. The Scholarships do not provide exemption from payment of tuition fees.

3. Eligibility
An Applicant must:
   a. Be an Australian citizen, an Australian permanent resident or hold an Australian permanent humanitarian visa;
   b. Be studying an Australian year 12 in one of the designated ANU Regional Partnerships Program schools.
   c. Enrol in an undergraduate degree program the year after completing their Year 12. Students who choose to defer their studies for one year will be eligible for the transition scholarship if they enrol at ANU in the following year. Students can only defer their place for one year and still be eligible for the scholarship.

4. Application
Students attending a Partnership School will be allocated a transition scholarship automatically providing they enrol in an undergraduate degree at ANU. To be eligible, students must have put at least one ANU program as a preference when applying for admission through the Universities Admissions Centre (NSW and ACT). No further application process is required.

5. Concurrent holding of scholarships
Scholars may hold other scholarships, bursaries or awards concurrently with the ANU Regional Partnerships Program Transition Scholarships.
6. **Program Withdrawal & Repayment of Scholarship**
   In the event that a scholar withdraws in the first semester of their degree program, the Chair of the University Awards Committee shall determine if any or all of the scholarship monies should be repaid.

7. **Publicity**
   The ANU Regional Partnerships Program Transition Scholarship holders may be requested to participate in publicity of the scholarship from time to time. This may include publicity in the state or territory of residence or of schooling. Scholars may be contacted for an interview and photograph. The University may also publicise the scholarships by publishing the names of the scholars. Arrangements for such publicity will be made through the Communications and External Liaison Office of the University.

8. **Obligations of Scholars**
   Recipients will be expected to assist with the ANU Regional Partnerships Program as an ANU Community Ambassador at some stage during the course of their time at ANU.
