

Academic Board-approved amendments

Not streamlined

Anything that falls in the following categories are classed as a **'significant'** change and will need to go through AQAC and approved by AB to ensure compliance with the AQF, ESOS/CRICOS.

- x Change of qualification name (New plan required)
- x Change of qualification level or type (New plan required)
- x Change of duration (New plan required)
- x Change of admission requirements
- x Change of fee places, e.g. adding CSP or ISF when not previously available
- x Change to learning outcomes
- x Change to program mode of delivery (eg 'In Person' to 'Fully Online')
- x Introduction of fully online or distance compulsory (CRICOS-registered plans only)
- x Introduction or removal of compulsory work-based component/s
- x Addition or removal of a compulsory course, unless it is part of a direct substitution

Internal External partners

- x Changes to responsible ANU College(s)
- x Establishes or revokes agreement with external partner
- x Introduces or removes course delivered by external partner
- x Changes affecting the operations or enrolments in another ANU College (e.g. removing or adding significant courses from another College)
- x Changes too professional accreditation requirements

Structure/Orders

- x Addition or removal of a major, minor or undergraduate specialisation
- x Changing a major, minor or undergraduate specialisation from compulsory or non-compulsory
- x Addition or removal of a requirement – except hurdle requirement (e.g. deletion of 6 units of completion or taking out a whole section)
- x Change to the unit value of a requirement (e.g. "12 units from" to "6 units from")
- x Addition or removal of a compulsory course
